DEDICATION

"A man that has friends must show himself friendly . . . "Proverbs 18:24

What greater compliment can one pay a man than to say he is a friend to young people. On our campus we have such a man, one who loves young people, understands them, and is interested in their ambitions, their achievements, their joys and sorrows. He is a man who believes in helping everyone achieve his goals, who believes in working hard to make life worthwhile, and who believes in spreading happiness to everyone. To the students of Middle Tennessee State College he is a tower of strength that stands tall, thinks tall, smiles tall, and lives tall. Because we recognize him as a man who never bends under the burdens of class work, newspaper work or numerous other activities we sincerely dedicate the 1957 MIDLANDER to our Director of Publications, Mr. Gene Holloway Sloan.

Editor's Note

Between the covers of this book the members of the 1957 MIDLANDER Staff are seeking to bring to you, as we saw it, the high lights and accomplishments of this school year. The annual is not the work of just my staff, who have done a fine job and are presented to you on page 54, nor that of our photographers, printers and engravers, but of each of you, the faculty and students, as well. It is your actions and accomplishments that have made the book possible. Our job was just to put your actions in print. I would like to recognize a few of the people who have helped the staff present the 1956'-57 school year to you. To the photographers, Dr. Bealer Smotherman, "Wink" Bennett, and Ed Delbridge, my vote of thanks. To Mr. Ben Shields of Ambrose Printing Co., our printer, and to Mr. Ruben Gulbenk of Gulbenk Engraving Co., our engraver, and their staffs, thank you. To Mr. Gene Sloan and the Publication Committee for their advice and criticism, and the members of the English department, Mr. Gregg Coleman and Mrs. Elizabeth Schardt, who proof-read the copy, my special thanks.

The Midlander staff, however, owes the most to you, the faculty and students, who have made the school year a success and the annual possible. The staff and I hope that in the years to come this book may serve as an inspiration to you, as you use it to recall the part of your life spent here at Middle Tennessee State College.

Administration.

Without a strong administration a college cannot function. Middle Tennessee State College, one of the five state colleges in Tennessee, enjoys excellent supervision from a well-qualified administration.

Located on a 375 acre campus, the college has twelve departments and offers a Bachelor of Science and a Bachelor of Arts degree, with additional opportunity for a Master of Arts in Education. The Branch General unit of the Reserve Officers' Training Corp offers opportunity which qualifies for a commission in the armed forces upon graduation.

In the past decade buildings and equipment have increased in value by more than \$4,000,000, and the new library, now under construction, will add \$450,000. Founded in 1911, the college has grown until now over two thousand students are enrolled.

In this section the Midlander staff introduces the administrative staff, the faculty members and their departments.

HONORABLE FRANK G. CLEMENT

Governor

Frank G. Clement, keynote speaker of the 1956 Democratic National Convention, has made himself known in his home state as a good friend to education. The first Governor of Tennessee to be elected for a four year term, he has proved his interest in a balanced program of progress for the Volunteer State, and has worked to meet the challenge of the expanding classroom needs for all levels of education. His sponsorship of better educational opportunities for all Tennesseans has encouraged those associated with education in the state.

Governor Clement is a man of high ideals and deep religious convictions. It would seem that he set a goal early in life which he is achieving step by step. An outstanding leader in high school, college, law school, and the Army, he has the distinction of being the nation's youngest chief executive. Already recognized as a leader in the National Democratic Party, he has been compared to William Jennings Bryan in his ability as an orator by outstanding political figures.

BOARD OF EDUCATION

"The Board Guides the Policies of MTSC."

Scated are W. R. Landrum, Mrs. Ferdinand Powell, Dr. Quill E. Cope, State Commissioner of Education, Mrs. Sam Wilson, Ernest C. Ball, Miss Mand Holman, exerctary. Standing are Mrs. Violet Partish, principal stenographer, Clarence Kolwyck, Dr. Norman Frost, J. Howard Warf, James Wilhams, and Edward J. Jennings.

0. M. SWITH

President

Q. M. Smith is not only the President of Middle Tennessee State College, he is one of its most outstanding alumni. He was president of the first graduating class, first editor of a student publication, first head of a campus debating team, and a member of the football team. When President Smith returned to his alma mater in 1938, it was natural that he would launch a program to make MTSC a recognized educational power. Since that time, the enrollment has exceeded the 2,000 mark, and twelve new buildings have been added to the 375 acre campus. The faculty has tripled in number in the last ten years. Our distinguished President gained his outstanding executive ability through thirty years of college administrative experience.

All of his staff are veteran educators, who have occupied important elementary, secondary school or college posts before moving into staff positions as members of the Administrative Committee.

The Administrative Committee seated left to right are Mr. Neil Wright, Dr. W. B. Powdoin, Mr. Hilary Parker, Mr. Herace Jones, Mr. O. L. Freeman, President T. M. Smith, Dr. J. E. Wiser, Miss Virginia Muncie, Dr. Norman Parks. (Standing): Dr. C. N. Stark, Dr. Howard Kirksey, Miss Tommie Reynolds, Mr. Gene Sloan, Mr. N. C. Beasley, Major Q. L. McNary, Dr. Richard Peck, Dr. Francis Riel, Dr. Belt Keathley, Mr. E. W. Midgett.

DEAN OF ADMISSIONS

N. C. Beasley

Dean N. C. Beasley, as Dean of Admissions, is continuing services to MTSC that have covered more than a quarter century. Dean Beasley took his first position with the college in 1927 and at various times has occupied most of the positions of administration of the college, yet has found time to become a leader in state and national educational organizations and is a nationally recognized lay leader in the Methodist Church. He received his B.S. and M.A. degrees from Peabody College, where he has also done post-graduate work. Truly, here is a man whose life is being spent for the betterment of mankind and the promotion of education.

DEAN OF INSTRUCTIONS

HOWARD KIRKSEY

Dr. Howard Kirksey, as Dean of Instruction, has many duties to perform. It is his responsibility to organize and supervise the schedule and curriculum and to prepare students for successful careers. Days of work as consultant at educational meetings and hours of speaking engagements that take him into many states, fill Dr. Kirksey's busy schedule. Along with his college activities Dr. Kirksey serves as secretary of the Tennessee Secondary Principals Association, is a member of the Baptist Sunday School Board, a national representative in the Beta Club, and Tennessee representative to the Southern Association of Colleges. He received the A. B. degree at Union University, the M.A. and Ph.D. degrees from Peabody College, and did additional graduate study at the University of California.

DEAN OF STUDENTS

S. Belt Keathley

The person most directly connected with the student body of MTSC is Dr. S. Belt Keathley, Dean of Students. He has the difficult task of imposing discipline which will be constructive and allow maximum enjoyment of wholesome campus life. He listens sympathetically to any problems the students may have, and offers helpful guidance. When the occasion demands it, Dean Keathley can give sound admonition, or equitable justice tempered by his understanding of young people. Our dignified Dean of Students has a background of outstanding work as a high school administrator, staff member of the State Department of Education, and college teacher. He came to Middle Tennessee State College in 1951 after receiving his Ed. D. from the University of Tennessee. He can draw on his vast experience in handling any problems that may arise in the dormitories or on the campus. The students have come to accept him as a fair and capable disciplinarian and as their friend.

SECRETABLES

(First Row): Miss Betty Windrow, Mrs. Blond Sweeney, Mrs. Mary DeLucca, Mrs. Sally Brunson, Mrs. Thelma Sloan, Mrs. Evelyn Turney, Mrs. Frances Anthony, Mrs. Bonnie Nellessen. (Second Row): Mrs. Martha H. Maddox, Mrs. Macon Manson, Mrs. Bonnie McHenry, Mrs. Charlotte Heinz, Mrs. Norene Hudgens.

DIRECTOR OF FIELD SERVICES

ROBERT ABERNATHY

It could be said that no one spreads more good will for Middle Tennessee State College than our jovial director of field services, Robert Abernathy. Always in demand as a speaker, he visits many high schools and encourages students to continue their education at MTSC. An alumnus of MTSC, he is Secretary of the Alumni Association and handles the college placement bureau. His smiling face and ready wit have become a fixture on the campus since he came back to MTSC in 1947.

BURSAR T. B. Woodmore

Mr. T. B. Woodmore and his assistant, Mr. Jimmy Jackson, are responsible for the smooth way in which the finances of MTSC are handled. Author of a book on financial administration, Mr. Woodmore uses his experience and knowledge in meeting the needs of our enlarging student body and expanding campus activities. He and Mr. Jackson are an important part of Registration Day, when they collect student fees. They are also important to employees of the college when payday arrives and they issue checks. It is no accident that financial matters are handled smoothly here at MTSC. These two men and their efficient staff make sure no mistakes arise.

DIRECTOR OF PUBLICATIONS

GENE H. SLOAN

Gene H. Sloan is the man of many jobs. He is not only a classroom instructor and director of student publications; he also serves as faculty athletic chairman, member of the administrative committee, discipline committee, and student activities committee. He and his student assistants, Bob Brooks, Glendel Bryson, and Jo Maybrey, send out several thousand press and radio releases each year on happenings at MTSC as a function of the public relations department.

A member of the Tennessee Bar and an experienced newspaper man, Gene Sloan has been a high school teacher and school administrator. He was accredited as a war correspondent during World War II and has recently published a book on the war maneuvers in Tennessee.

Seated Left to Right: Mr. Homer Pittard, Miss Mary Hall, Dr. W. B. Bowdom (Department head), Mr. Finis W. Poole, Dr. Clarence Greever.

Dr. Bealer Smotherman, Mr. Hillary Parker, Mr. James Martin, Dr. Charles Bridges, Dr. Edgar Beaty, Dean N. C. Beasley.

EDUCATION DEPARTMENT

The status of MTSC has undergone many changes since the Middle Tennessee Normal days. Vocational and liberal arts courses have been added, but the primary function of the college is still to train teachers. Dr. Wilmouth B. Bowdoin is the competent head of this department, which has seven educators with doctor's degrees.

The college maintains the Training School and works closely with the local high school to provide the student teachers with at least one quarter of

experience in actual classroom work under the direction of skilled teachers.

This year the department is beginning a new directed teaching program on a small scale in Davidson County. The educators are currently in the process of re-evaluating the course outline of the department.

The faculty meets once a week to discuss staff problems and the teacher-training program.

Training School classroom

TRAINING SCHOOL

The Training School is the branch of our college where the MTSC students majoring in education have an opportunity to do their practice teaching under highly skilled supervising teachers. It is an ideal place for those who are qualifying for a teacher's certificate in the elementary field to put to use the things they have learned. The "student teachers" have the opportunity to observe the high educational standards at the Training School, which inspire them as future teachers to achieve higher ideals and goals.

Mr. Hilary Parker is in charge of the elementary "student teachers" program in addition to being principal at the Training School where a select group of students are taught.

First Row, Left to Right: Mrs. Ruth Garland, Mrs. Henrietta Wade, Miss Elaine Stepp Second Row., Mr. H. Earle Reese, Mr. E. W. Midgett, Mr. Hollie W. Sharpe, Mr. Gene Sloan.

BUSINESS ADMINISTRATION

With sincerity, understanding and wit, Elwin W. Midgett capably performs his duty as head of the Business Administration Department.

In this department there is the most modern business machine room in the state. There is a separate secretarial practice room with modern equipment including electric typewriters and dictaphones. This year available typing desks have been added to the large typing room. With such modern facilities the department offerings provide excellent training for secondary school business teachers and broader opportunities for general cultural, business and vocational training.

Majors have three fields from which to select a program of study Business Administration, Steno graphy, or Business Education. The seven skilled instructors of this department take justifiable pride in the outstanding success these majors achieve after graduation.

Dr. Robert Martin's Economics

SOCIAL SCIENCE

MTSC is certainly fortunate to have Dr. Norman Parks as head of the largest department on the campus—the Social Science Department. A former college dean and newspaper editor, he brings a wide experience to the college.

Social studies covers a wide field of practical problems. It offers programs looking toward professional competence in such fields as law, public administration, business welfare, and education. It offers integrated and related studies in the five major disciplines economics, geography, history, political science, and sociology.

The success of the Social Science Department lies not only at MTSC, but throughout the whole area of Middle Tennessee. This utilization of the department's facilities and personnel is only one example of the college's integration with this area.

Dr. Parks and all the faculty of the Social Science Department are building a greater MTSC by enabling students to deal more effectively with the problems of their social environment.

LANGUAGE ABTS

Dr. Richard Peck heads one of the better known departments on the campus. Each student must devote six quarters to the exuberant study of English before he can graduate. Each member of this department capably performs his duty of meeting the needs of some thousand students every year by improving their concept of our written and spoken language.

It is the duty of Miss Schardt to instill in the minds of many students the appreciation and understanding of foreign languages.

MTSC is certainly proud of its area of dramatics and forensics. Each year many trophies are received from the outstanding work of students trained in this department. Three dramatic productions of high merit are offered each year.

VICTORIAN LITERATURE WITH MR. HAWKINS

MATHEMATICS DEPARTMENT

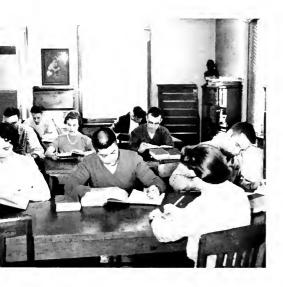

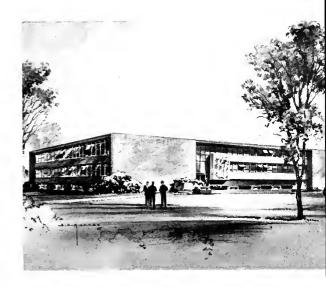

MR_HORACE [)* ES: MATHEMATICS CLASS

Horace G. Jones heads the Mathematics Department with the aid of the other skilled mathematicians on the staff. One of these, Miss Tommie Reynolds, has been an instructor at MTSC since 1911.

Any student planning to go into engineering can take the pre-engineering course consisting of either a two or three year program of work. These plans are approved by the major engineering schools. Many of the graduates are going immediately into engineering or are taking an additional year of graduate study for an engineering degree. A "co-op" plan of work and study has recently been developed for pre-engineering students.

Any student choosing mathematics as his major field is offered a four year course that includes business arithmetic, mathematics of finance, calculus, geometry, and many other subjects. A course in surveying is also offered.

LIBRARY

The MTSC library contains a wide selection of reference and source materials as well as fictional and recreational entertainment. It now consists of more than 50,000 books, periodicals, and newspapers, and is expanding annually.

Now under construction is a modern, spacious building located between the Science Building and Jones Hall which will become our new library. This new library building will be occupied in the fall of 1957.

Left to Right, Miss Virginia Wilkinson, Miss Sarah Moore, Miss Catherine Clark

THE MUSIC BUILDING

MUSIC DEPARTMENT

The Music Department, under the leadership of Neil Wright, has added much to the enjoyment of many students. Mr. Wright is a talented musician and a very capable teacher.

The Marching Band, under the direction of Dr. Colbert, is the pride and joy of the school. It performed at all the football games of the season. The pep band contributed its talents at the basketball games.

Other organizations of the Music Department are: the Sacred Harp Singers, the chorus, the orchestra, the organ guild, the concert band, the women's trio, the men's quartet, the string ensemble, the Saunderian Society, and Pi Mu Sigma. The Midlanders, the school dance band, has been organized as such for two years. This band has played at several dances and at Fun Night.

There are many tours made by the band and chorus which add recognition to the department. The opera that is presented every year creates wide publicity for the music lovers, who give so much of their time for the production.

HOME ECONOMICS

Girls aren't the only ones interested in this department. The boys are especially interested in finding a girl that knows how to make food taste good, mend shirts and darn socks.

This department, headed by Mrs. Virginia Muncie, offers training for future teachers of home economics, home demonstration agents, food chem ists, dieticians, fashion experts, models, nutrition ists, interior decorators, and skilled homemakers. It also offers foundation courses related to the personal needs of young women who do not wish either a major or minor in home economics. All courses offered in the department prepare for homemaking, an area in which the large majority of women engage eventually.

The Home Economics Department is certainly proud of its new, modern Home Living Center and nursery school. Majors live here a quarter before graduation to learn the responsibilities of home management. The main goal of this department is to enrich the lives of all its students and prepare them for happier, more successful lives as better homemakers or for positions which enable them to enter various fields of work open to home economics trained persons.

HOME LIVING CENTER

Dr. J. Eldred Wiser, Mr. Dan Scott, Dr. Douglas Shields, Dr. Ellis Rucker, Dr. John Patton, Mr. Eugene Strobel, Mr. James H. Eads, Dr. Gerald Parchment, Dr. C. E. Wiser, Dr. Exum D. Watts.

SCIENCE DEPARTMENT

Dr. J. Eldred Wiser is the head of the Science Department and counselor for pre-medical and predental students. Students interested in chemistry and pre-professional training are given superior guidance in this department.

Well-equipped laboratories are available for the use of the students. A separate laboratory is provided for each year of chemistry except for physical chemistry. The students also have access to special equipment such as the Beckman Spectrophotometer. A minor in physics can be obtained by taking courses that will help prepare students for profitable careers upon graduation.

The Biology Division, under the direction of Dr. Ellis S. Rucker, is located on the third floor of the Science Building. Biology students have practical laboratory demonstrations and access to actual specimens in their subject fields.

All subjects taught in the Science Building have gained the reputation of being valuable, and students expect to spend many hours studying in order to earn the approval of the capable instructors of this department.

HEALTH AND PHYSICAL EDUCATION

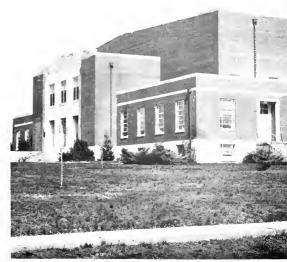

Each year this department, under the leadership of Dr. Francis Riel, develop many students as youth leaders in Health, Physical Education and Recreation.

It is the principal aim of this department to build strong bodies and to develop and maintain the best possible personal health. An excellently co-ordinated program in well equipped buildings aids in supporting the physical fitness that engenders mental alertness.

Because of the requirement that six quarters of physical education be completed by each student before a degree is granted, the advantages and personnel of this department become familiar to all students.

To maintain good teams and permit boys to attend college who otherwise would not have the opportunity, scholarships are offered students with exceptional ability in football or basketball. Each year MTSC receives many athletic honors because of the outstanding work of the Health and Physical Education department.

Members of the department staff have long hours of activity that last from early morning until late at night. There are over forty fields of group or individual recreational activity that encourage students to participate in wholesome recreation and to build strong bodies for the future.

NATHAN BEDFORD FORREST HALL

MILITARY SCIENCE

Major Quentin L. McNary is the head of the MTSC Branch General Unit of the Reserve Officers Training Corps. This Corps is rated among the top outfits in the South and has a modern, well-equipped building.

The students meet on Tuesday to drill and have regular classes in Military Science and Tactics during the week. In the summer before their final year in ROTC, there is a six weeks' tactics camp. This is a preview of future active duty as a reserve officer. Upon graduating, the ROTC students receive a commission as Second Lieutenant in some branch of the Army.

The Sam Davis Drill Team performs precision drills at many public functions. The biggest event of the year on the campus is the ROTC Ball, sponsored by the Track and Sabre Club. A bigname orchestra is always selected. At this function an ROTC Queen and her court are presented, as are the senior officers and their dates.

First Row, Miss Mary Cook, Capt. W. R. Thomas, Maj. Q. L. McNary, Lt. Robert C. Sanders, Miss Shirley Pogue. Second Row: Sgt. Alfred B. Arnold, M. Set. Charles, W. O'Gwin, Sgt. Earl F. Watson, S.E.C. Ward A. Smith, S.F.C. James R. Kent.

Left to Right: Dr. Frank Himes, Mr. Eddie Lee Thomason, Dr. C. N. Stork, Mr. B. B. Grecy, Dr. Clarence Chestnutt.

AGRICULTURE DEPARTMENT

This department is certainly of outstanding merit at MTSC. It maintains one of the best equipped agriculture centers to be found at any school of this size in the United States. For the past few years it has received nationwide publicity through the press, radio, and television.

It has three buildings of its own, in which are included classrooms, storerooms, offices, a woodworking shop, and a modernly equipped farm metal working and blacksmith shop. There are also a dairy, a poultry unit and farm buildings which serve as laboratories. There are 325 acres of land available to this department for the students to experience the actual program of the farm, as well as to earn money to help pay their way through college. The Agriculture Department offers courses in farm and home administration, soil conservation, and technical courses for students who plan to continue agricultural work with feed, seed, fertilizer, or farm equipment companies.

Under the UT-MTSC co-operative plan, after two years at MTSC a student may transfer to UT without loss of credit to complete his course in vocational agriculture. This department, under the leadership of Dr. C. N. Stark, skillfully carries out its primary aim of training students for the teaching of agriculture, for agricultural extension service, or for more practical and successful farm operation.

A PART OF THE AGRICULTURE CENTER

INDUSTRIAL ARTS

Creative manual dexterity is emphasized in the Industrial Arts Department, which is headed by Mr. O. L. Freeman. The courses in Industrial Arts are designed to give experience in the various types of shops and in drafting as a basis for the preparation of teachers of industrial arts and specialization in the range of industrial education. There are over 200 types of jobs available to Industrial Arts majors.

MTSC can boast of one of the two best Industrial Arts Departments of its size in the country. There are hundreds of thousands of dollars in equipment in the six unit shops and the drawing studios. Many students spend long hours in the shops making furniture, boats, and woodwork, and learning crafts. Here the student learns the importance of being able to work with his hands.

Mr. Harold Jewell, Mr. Neil Ellis, Mr. Phillip Dalton, Mr. O. L. Freeman, Mr. James H. Gorce, Mr. John S. Wade.

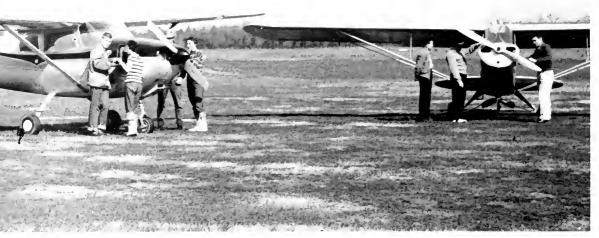

Left to Right: Mr. Charles M. Brandon, Mr. Fred Rubens, Mr. David LeDous

FINE ARTS This division, under the leadership of Mr. Fred Rubens, Mr. Charles M. Brandon, and Mr. David Ledoux, offers to the students of MTSC added education in the liberal arts. The Fine Arts Department keeps alive the traditions of liberal arts intermingled with the emphasis now being placed upon functional and vocational studies. All students minoring in secondary education must have at least one quarter's work in this department. Elementary education majors must have several quarters' work. This department also offers courses for students who seek a career in commercial art and creative design.

REGIONAL LIBRARYThe ground floor of Monohan Hall is the location of the Regional Library Service of Middle Tennessee State College. This division offers library services to both urban and rural centers in this area of Tennessee. There are two bookmobiles that deliver materials over a nine county area. Miss Sydniciel Shinn is Regional Librarian.

Lett to Right: Miss LaVonne Blackman, Mrs. Nan S. Glasscock, Miss Janet Smith, Mrs. Nancy Sharp, Miss Sydniciel Shinn, Mrs. Lady Houston Brown

H. Miller Lanier and a group of Aviation students

Of exceptional ability and patience is Mr. Miller Lanier, who is the head instructor of Aviation. Both boys and girls take advantage of the courses offered by Mr. Lanier.

MTSC is one of the few colleges in the country that offer full credit all the way through a commercial and instructor's license. Along with the flying lessons, students are able to obtain technical instruction in navigation, radio, meteorology and other phases of aviation.

Aviation is only one example of the varied courses offered at MTSC. It broadens the students' education as well as being an exciting course of study.

Each full-time student may receive, without additional charge, the services of the college physician and the registered nurse in residence at the infirmary, with hours arranged for the convenience of students. Mrs. Joyce Dabbs treats the students for their minor ailments. Dr. William Shacklett is the college physician.

There are facilities provided at the infirmary for those students who need limited hospital care.

All students under twenty-one years of age received Salk Vaccine shots free of charge this year and all have mobile x-ray service twice each year.

VET VILLAGE Wet Village, located on the eastern side of the campus, consists of fifty-five white frame apartments and provisions for parking privately owned house trailers. Originally built to accommodate veterans after World War II, it now serves as a convenient, economical housing project for married students. The community grocery, run by an MTSC student, is patronized by Vet Village housewives, and has a recreation room where their husbands gather for a game of ping-pong or a "bull-session."

Vet Village has a representative on the Supreme Court and is recognized as an integral part of Middle Tennessee State College life.

MAINTENANCE

The job of the maintenance crew is to keep MTSC clean and beautiful. Behind the scenes, the men and women shown on this page contribute to our comfort day and night. This is a year round job and requires much work. Mr. Harold Jewell is supervisor of maintenance for the college, and assisting him is Mr. Floyd Travis, supervisor of grounds and landscaping.

President of the Associated Student Body

Introducing Johnny Bass-President of the Associated Student Body. Johnny came to MTSC in 1953 from Columbia. He is pictured here in the ASB office. As chief executive of the Associated Student Body, his responsibilities are almost innumberable. He presides over assemblies, is responsible for all social functions on the campus, supervises the keeping of the records of the 1956-57 school year, and serves as go-between for the students and the administration. Under his direction, the ASB is in better financial shape this year than ever before. Homecoming 1956 was considered one of the best in the history of the school. It is no accident that the ASB is run smoothly. This young man spends many hours planning and carrying through activities for the student body, with the help of the capable vice-president, Joyce Wat-

Johnny is majoring in math, minoring in science and secondary education. He will get an ROTC commission upon graduation. Johnny hopes to work in radio and television some day.

Associated Student Body Officers — The largest group in number on the campus is the Associated Student Body. Every student enrolled at MTSC belongs to the ASB. Each spring the student body holds an important and highly contested election to put the candidates of its choice in office for the next year. These officers prepare for the freshmen in the fall. They work with the Administration to plan the year's activities and present the students' ideas and needs to them. Each week the ASB publishes a bulletin of all activities scheduled on the campus that week. Homecoming, fun night on Tuesday Night, dances after ball games, and all student elections during the year are the responsibility of the ASB Officers. The president and vice-president appoint outstanding students as attorney general, secretary, treasurer, and Supreme Court Justices to help them in the administering of their many duties.

The ASB Officers encourage the full participation of all students in the operation of their government,

which is patterned after that of the United States.

Johnny Bass, President, Joyce Watson, Vice-President, Peggy Towery, Secretary, Catherine Ray, Treasurer; Bobby Cranford, Attorney-General.

Kent Stockton, G. I. Fink, G. P. West, Chief Justice, Don Fuqua, Eddie Agee

Supreme Court The Judicial branch of the Associated Student Body is the Supreme Court. This group is composed of two seniors, two juniors, and one sophomore, one of which is a representative of Vet Village. One senior serves as Chief Justice. These students are appointed by the President and Vice-President of the ASB, and approved by a unanimous vote of Congress. This is an appellate court which reviews any cases ruled on in the dorm councils and appealed by the defendant. It also makes rulings on discipline which will affect future students at MTSC. It is the duty of the Supreme Court to rule on questions of constitutionality and to supervise campus elections.

Congress The ASB Congress is the legislative branch of our student government. The thirteen members of Congress are elected by the classes to represent them by passing laws that will be in the students' best interest. Four seniors, four juniors, three sophomores, and two freshmen make up the group, which is presided over by Joyce Watson, Vice President of the Associated Student Body. Congress meets twice each month to discuss problems brought before it by "constituents". The Congressmen work at the polls during all student elections, but cannot campaign during any election without first resigning their position.

The students strive to select capable individuals to represent them in this law making body.

Girls' Dormitory Council The Girls' Dormitory Council is composed of representatives from Rutledge, Lyon, and Monohan Halls. This organization has one of the most difficult tasks on the campus. It is the duty of the members to decide the fate of the girls in the dormitory who have broken the rules and regulations. This council is a minor court which works in close co-operation with the Supreme Court. The Dorm Council has the respect and admiration of all students, and is under the capable leadership of Catherine Ray this year.

RUTLEDGE HALL

LYON HALL

JONES HALL

SMITH HALL

Men's Dormitory Council Iones Hall and Smith Hall have Men's Dormitory Councils for regulation of the Men's residence halls. These councils, which assist Mr. Greer and Mr. Jones, are concerned with problems arising in the individual residence halls. When a problem arises that demands further consideration, it is brought before the Inter-Dorm Council, composed of representatives from both Smith and Jones Halls. The cases can be appealed to the Supreme Court, but the Dorm Council is usually successful in giving satisfactory conclusions.

Eugene Smith is chairman of the Men's Dormitory Council.

HOUSEMOTHERS

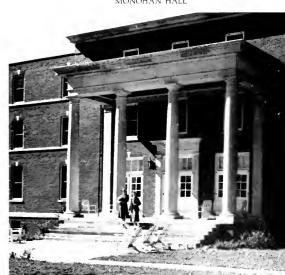

Our housemothers are the women whose unceasing efforts and patience are combined to make our lives on the campus as much like our lives at home as possible. Preserving harmony among and finding places for the accommodation of the increasing population of MTSC is but a part of the task of our housemothers. Our housemothers can

be described as charming and understanding, yet calm and firm as they assume the difficult task of meeting the emergencies in our lives on the campus. The housemothers are always on hand any minute of the day or night in case of illness or accident. Students come to feel close to their housemothers during their four year stay at MTSC.

DORMITORY ROOM

MONOHAN HALL

FUN NIGHT AND LUNCHROOM

Fun night and the lunchroom make up a large part of the social life of the MTSC student body. Many students head for the Union Building each Tuesday night to enjoy several hours of dancing with friends. Popular records are the form of music at fun night most of the time, but occasionally we have music by the Midlanders.

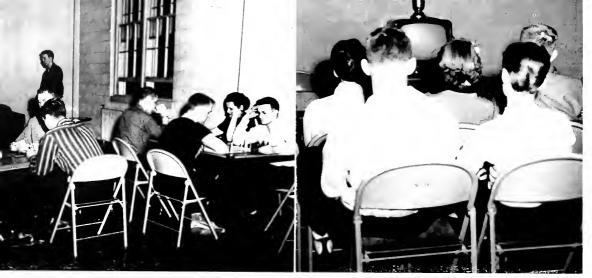

The place where the "elite" of MTSC meet is the lunchroom. Here Mrs. Audie Travis and her able crew of student workers supply the students with snacks to go with the gossip sessions and heated discussions which originate over a "coffee break." At any hour of the day the buzz of conversation and peals of laughter can be heard over the sound of the jukebox.

RECREATION ROOM T. V. ROOM

Recreation Many students gather in the afternoon and evening at the "Rec Room" or the TV Room. Mrs. Sammye Causey supervises the many activities here.

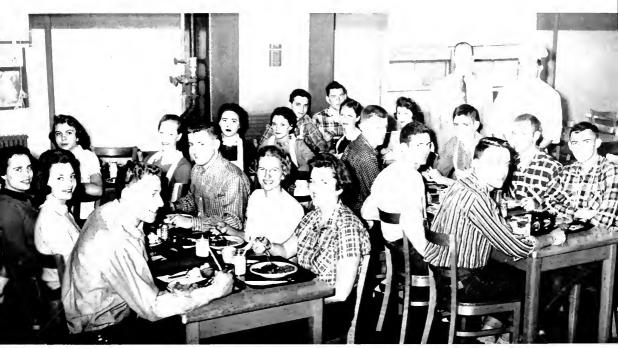

The "Rec Room" is a haven for card and pool sharks as well as the ping-pong champions. Lately chess seems to have taken the spotlight. There is a juke box in the "Rec Room" which has the latest records and this draws a group of "boppers."

The students go to the TV Room to watch their favorite programs. The TV Room has comfortable couches and chairs provided for its viewers. We are lucky as students to have such places to spend our leisure time.

Student Social Committee This committee, along with the faculty social committee, is primarily concerned with making up the social calendar and planning the social events for each quarter. The vice-president of the student body serves as chairman of the appointed committee.

Organizations.

From "freshman follies" to "senior sophistication" a student at MTSC has the opportunity to participate in all varieties of extracurricular activities. There are organizations which offer excellent training useful in later life. Journalism experience can be acquired while working on The Midlander Staff or Sidelines; The Buchanan Players provide work in all fields of drama; science, art, and clubs of the academic majors promote interest and information in these areas. There are also clubs purely for enjoyment, such as the Saunderian Society. Honorary societies stimulate interest in attaining proficiency in many fields. The many church groups provide a good foundation for adult Christian work, and these organizations are very popular, as their large memberships prove.

Campus organizations offer a place for everyone. Whatever your interest, you, as a student, can find a club in which you can exercise it.

We, of *The Midlander* Staff, are proud to present our school's organizations, their members, and their activities.

The MIDLANDER is a combination of many things besides words and photographs. Behind the final product are many students working from morning to midnight gathering copy, snapping pictures, selling adds, planning layouts and holding discussions with the printers, all the while scurrying to meet the deadline.

The staff hopes each and every student at Middle Tennessee State College will enjoy the yearhook as much as we have enjoyed working on it. If the work done by the staff helps the student remember the year 1956 '57, the yearbook will be a success.

SIDELINES STAFF

Editor Bill Kerley checks his paper.

THE SIDELINES, published each two weeks by the students of Middle Tennessee State College, offers laboratory experience for those taking journalism and advertising courses. At the same time it presents to the student body interesting campus activities and achievements in words and pictures.

As in publishing any newspaper many tedious hours of writing, copy reading, proofreading, layout and circulation perplexities must be met by the staff members.

Circulation Staff: Billy Wilson, Nancy Jane Marshall, Frank Gardner, Sue Shelton, Larry Taylor, Ada Blankenship.

Associate Editor, Jack Smith, Editor in-chief, Billy Kerley.

Reporters, Alice Adams, Glendel Bryson, Sandra Cowart, Xylda Scott, Shirley Minter, Jo Russell.

The paper suffered a severe blow just before the end of the winter quarter this year when the editor and makeup editor resigned. At the beginning of the spring quarter the sports editor, Bob Brooks, completed his work and business manager, Frank Gardner, left school.

The re-organization of the staff found Janet Lewis taking the editor's chair, assisted by Shirley Minter with Peggy Harrison as club editor, Roy Crabtree as sports editor, Sara Follis as local editor. Ada Blankenship took over as acting business manager. Ronald Johnson, Ralph Englert, John Champlain, Albert Bennett, Paul Delk, Linda Welch and Jim Kee Rhee were added to the staff to replace others who had become inactive.

BUCHANAN

PLAYERS

The Buchanan Players is an organization made up of about 50 students who like to get on the stage and pretend they are someone else. Leading this group is DeArnold Barnette, president, who is very ably assisted by Dick Haynes, vice-president; Shirley Minter, secretary; Anne Tittsworth, treasurer; Marshall McKissick, sergeant at arms; and Robert Askins, cage custodian.

Each quarter the members of the Buchanan Players present a play. During the fall quarter they presented "Sabrina Fair" with great success. Dur-

ing the spring quarter they presented "Night Must Fall", again with great success. In addition to plays, the club members each year in collaboration with the music department present an opera. This year it was the "Marriage of Figaro". Amidst all the confusion during rehearsals and production, club members really learn something about the varied and technical tasks of producing a show as well as about the fine art of acting. The purpose of the club is to train members in dramatic production and to prepare members for the national dramatic fraternity, Alpha Psi Omega.

LAMBDA GAMMA CAST OF ALPHA PSI OMEGA

The Alpha Psi Omega is a national fraternity in the field of dramatics. The purpose of this cast is to stimulate interest in dramatic activities in Middle Tennessee State College, to secure for the college all the advantages and mutual helpfulness provided by a large national honorary fraternity, and by the means of electing students to membership, to serve as a worthy reward for their efforts in participating in the plays staged by the dramatic organization of the college. This cast is no way aims to take the place of the regular college dramatic club.

Special qualifications are required for membership. The members must be hard workers, because

to gain entrance, they have to earn points by work in the dramatic field. The new Buchanan Players members soon learn how many points they must earn and the fields they must work in for entrance into Alpha Psi. They enthusiastically pitch into work on the plays to earn the points they need. To be eligible for APO, each person must have experience in several fields. He must have acted in a play, served as a stagemanager or assistant director, and also have worked on the crews, such as lighting, publicity, and makeup. Heading the fraternity is Charlotte Akers Gardner, Cast Director; and subordinated officers are Marshall McKissick, Assistant Cast Director; and Shirley Minter, Business Manager.

SPEECH ARTS

Dating from 1947, the Speech Arts Society has grown by leaps and bounds in both membership and skill. The society's purpose is to train students to think logically and to speak correctly in public speaking situations. They want all students to know the true values of debating and speaking.

This year the society participated in tournaments in Maryville, Tennessee: Columbus, Mississippi; and in South Dakota. They debated at several colleges in this area.

SIGMA CLUB

One of the most exclusive and intelligent of the men's clubs on the campus is the Sigma Club. The members of this club, which was formed thirty years ago, have a long-established reputation for outstanding work. Thomas Stroud presides at each monthly meeting as president; Harry Brunson serves as vice-president; Shirley Freedle takes care of the money and minutes; and Clayton James is the sponsor.

The motto of this group of fine young men is indicative of just the kind of men they are and the standards they uphold. It states, "Strong in will, to strive, to seek, to find, and not to yield." These men have excelled in scholastic ability, leadership, and character, and because of this, they have the honor of becoming members of the Sigma Club.

TAU OMICRON

This society for women was organized in 1930, only 20 years after the school was built, and it serves as recognition for junior and senior girls who excel in scholarship, service, leadership, and character, which are the bases on which they are chosen. Since its initial meeting back in 1930 the motto has been, "Strive to build rather than destroy—to help rather than hinder."

Three meetings are held each quarter and new

members are pledged at the first of the quarters. Two big annual affairs are the alumnae luncheon and the commencement breakfast for all members. Sue Richardson is the 1956-57 president, and she is aided in command by Anne Tittsworth, vice-president; Marjorie Grayson, secretary; Catherine Ray, treasurer; and Miss Elizabeth Schardt, sponsor. There is an alumni-sponsored scholarship fund available to Tau Omicron seniors or other worthy girls.

ALPHA CHI CHAPTER OF EPSILON PI TAU

On April 2, 1955, the Alpha Chi Chapter of Epsilon Pi Tau was founded at MTSC. The boys in the Industrial Arts Club make up the membership of this fraternity. The purpose of this organization is to recognize outstanding student efforts in the area of industrial arts education and to

provide social fellowship with other national chapters of Eplison Pi Tau. The members have an annual initiation for new members and an annual banquet. The officers are Novus Henry, president; Clyde Bennett, vice-president; Elmer King, treasurer; and Raymond Nunley, secretary.

INDUSTRIAL ARTS CLUB

Fellows interested in making things with their hands got together and formed a club for all the Southern gentlemen who had the same interest. This year's club president is Thomas Mitchell, with vice-president Dick Bell as his assistant. Ira Dorris keeps track of the club's financial status; Wanda Davenport takes care of recording the minutes; Janet Foutch acts as corresponding secretary; and keeping poise to a minimum is Clyde Bennett, sergeant at arms. Sponsor of the club is Mr. Harold Jewell.

The purpose of the club is to further the knowl-

edge of industrial arts, to acquaint the members with their fellow students and to stimulate an interest in industrial arts among the students. The principal idea that all club members share is that any well-educated man can work with his hands. neers of America, who lived not too long ago. Of course, the pioneers had to do their handiwork more exclusively by hand than do the members of the Industrial Arts Club, who have many fine machines to help them. They throw a few parties each year which top the socials of the school year. The members look forward to each quarter's social with great anticipation.

AQUATIC CLUB

This club sponsors and spends long hours preparing an annual water pageant which is one of the most colorful programs of the whole school year. Some of the features of this aquacade are high, graceful, and skillful dives; comical antics performed by clown-mermaids and, in steel-blue water beautiful formations created by mermaids.

To be eligible for membership as a "mermaid", a girl must show endurance, ability and gracefulness in swimming. Mrs. G. L. Littlefield, as sponsor,

supervises the practice sessions of these girls and makes certain that no accidents occur.

Since 1952 this club has worked to beautify the art of swimming and to further its members' acquaintance with the field of swimming and water safety. This year's president is Annette Walker. She is assisted by Ed Barlow, vice-president; Ann Satcher, secretary; Judy Patterson, treasurer; Paula Baisch, publicity chairman.

T CLUB

When the first week of school rolls around, the weather in Tennessee is warm and pleasant. Even with this good weather, there is a small group of boys who are very particular to wear hats, and who try to appear as inconspicuous as they can. You may be amazed, but these boys don't have any hair on their heads. It seems that each year the members of the T-Club set up a barber shop as part of the initiation of new students into the group. Any male who has lettered in football, basketball, golf, track, or tennis is eligible for membership. The purpose of the T-Club is to promote school spirit on the campus.

Heading the club this year are Sid Corban, president; Ben Hurt, vice-president; Carlton Galbreath, secretary-treasurer; Genie Smith, sergeant-at-arms; and Coach Charles Greer, sponsor. Meetings are held in the new T-Club Room in the basement of the gym. During the winter quarter the members converted it into a club recreation room for dancing. Various activities, such as parties, hayrides, and dances are sponsored during the year; but the outstanding event is the all-sport banquet which takes place in the spring. At this time letters are awarded for participation in varsity sports, and the outstanding performers are recognized.

BIOLOGY CLUB

Upon entering the Science Building, several students can always be found sitting around discussing one of their projects dealing with biological matter. However, these biology students are not always concerned with books. They join the fun on the campus to show that they are good all-around students. The Biology Club sponsors a Stunt Night every spring that brings enjoyment to all. The Bioolgy Club joined with the Chemistry Club and the Home Economics Club to host the Tennessee Academy of Science that held its meeting here in the fall. Heading the club for the 1956-57 year is Donald Duckworth. His co-workers are Jane Simms, vice-president; Jane Panter, secretary; Ina Hill, treasurer; and Carl Barnes, publicity chairman.

CHEMISTRY CLUB

If you are near the Science Building at any time and hear a giant explosion, don't be alarmed; it's probably just the members of the Chemistry Club running the latest experiment. Under the expert leadership of Don Fuqua and the executive committee, the Chemistry Club has grown tremendously. In the fall quarter, the club joined with the Biology Club and Home Economics Club to greet the members of the Tennessee Academy of Science. However, all the club's activities are not scholastic ones, outings are planned each quarter for the enjoyment of the club. Because greater numbers of science students enter the campus each year, this may one day be the strongest club on the campus.

CIRCLE K CLUB

In December 1954 the Circle K Club was founded on MTSC campus. The purpose of this club is to emphasize the advantages of the American way of life: to provide an opportunity of leadership in service; to serve on the campus and in the community; to encourage participation in group activities: to promote good fellowship and high scholarship; and to afford useful training in social graces and personality development.

Sponsored by the local Kiwanias Club, it offers the same services to MTSC as do the Kiwanians to the town. The club staff of officers includes Thomas Stroud, president: Ralph Tittsworth, vice-president; Bobby Stinson, secretary; and Bobby Cranford, treasurer. The club motto is "We Build."

KAPPA OMICRON PHI

The Kappa Omicron Phi was founded on the MTSC campus in March 1956. This honorary fraternity, which is for home economics majors, has for its motto "Prove all things; hold fast to that which is true and the truth will make you free." The purpose of this organization is to further the best interests of home economics. Members realize that the world needs women who have attained an intellectual, spiritual, ethical, and aesthetic poise. They aim to develop women with higher ideals of sane living, with deeper appreciation of the sanctity of the American home, with broader social and higher intellectual and cultural attainments.

The officers of this fraternity are Nancy Sue Ford, president: Sara Miles Martin, vice-president and keeper of archives: Mary Jo Pratt, second vice-president and guard; Marjorie Grayson, recording and corresponding secretary: Mable Jane Sublett, treasurer; and Mrs. Virginia Muncie, sponsor.

Seated: Mable Jane Sublett, Mary Jo Pratt, Nancy Ford, Majorie Grayson. Standing: Miss Nelson. Becky Davis, Mrs Virginia Muncie, Sarah Inglis. Juanita J. Bell, Betty Stephens Cox, Nancy Smotherman, Martha Whitehurst, Isabelle Scales, Miss Stevens, Betty Osteen, Dorothy Jamerson, Betty McClain.

HOME ECONOMICS CLUB

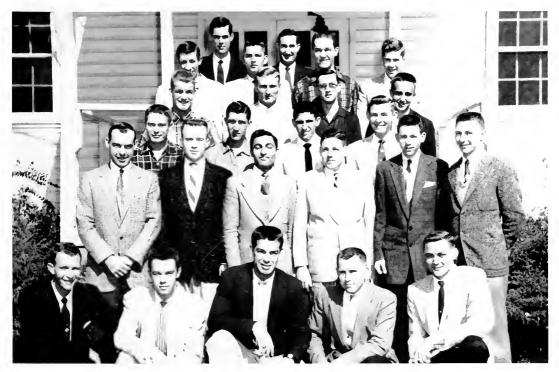

This club brings together a group of girls interested in putting good homemaking principles into future practice. The purpose of the Home Economics Club is to provide an opportunity for home economics majors and minors to develop a closer relationship with each other and with other groups of like interests. Through these social contacts, interest in home economics as an aid to a homemaker and as a profession is promoted. The club also provides experiences for leadership development, principles of club formation and functions, and both personal and group development.

The bi-monthly meetings of the club, consisting of a business session, educational program, and recreation are held in the Home Economics Department. Sponsoring the group are Mrs. Virginia Munice, Miss Helen Stevens, Miss Nancy McClary, and Miss Agnes Nelson. Polly Troxler very ably serves as president; Anita Turner, first vice-president; Betty Osteen, second vice-president; Earline Woodall, secretary; Betty McClain, treasurer; Ada Blankenship, scrapbook chairman; and Isabelle Scales, publicity chairman.

AGBICULTURE CLUB

"Better agriculture through scholarship, leadership and integrity" is the goal toward which the Agriculture Club of MTSC works. Problems of modern farm life are ironed out and discussed, and practical demonstrations are observed which are beneficial to the young agriculturist. A deeper understanding of modern farming methods through research and study is an objective of this organization. Interesting and practical programs are planned quarterly by the members. Leading the club to greater heights is James Larry Parsley, president; Howard Walter Hatcher, vice-president; Charles O. Smith, secretary; David Covington Whitworth, treasurer; and Bill C. Davis, reporter.

HEALTH, PHYSICAL EDUCATION AND RECREATION CLUB

The Health, Physical Education, and Recreation Club, under the guidance of Dr. Francis Riel and Miss Buleah Davis, combines a business meeting the first Thursday of each month and a program the next Thursday for well-rounded, interesting activities.

Organized in 1947, the club provides opportunity for professional growth, supports activities which improve and evaluate its field, improves each member's knowledge and skill, promotes school spirit and good sportsmanship, increases loyalty to the department, and sets a high standard of conduct at all times.

Social life on the campus is furthered by square dances and club-sponsored parties. Interest outside MTSC is promoted through contact with members from other colleges. Delegates attended the 1957 meeting of the Southern District of the Health, Physical Education, and Recreation Clubs and, also, the national convention of the organization. The executive board of this group includes Marvin Rolman, president; Paula Baisch, vice-president; Betty James, secretary; Carl Holden, treasurer; and Eddie Agee, sergeant-at-arms.

WOMEN'S ATHLETIC ASSOCIATION

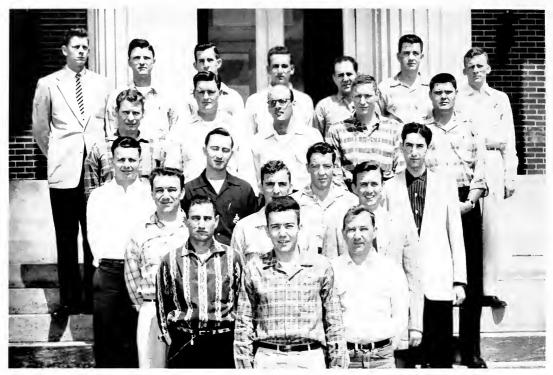

The Women's Athletic Association was founded in 1935. The purpose of the club is to promote interest and participation in intramural activities for girls, support school activities, foster sportsmanship and good will. Awards are given on a point system, points being obtained by participation in club activities. The officers elected this year are Paula Baisch, president: Carolyn Gonce, vice-president: Mary Jane Hargrove, secretary; Mildred Dorris, treasurer: Dorothy Crawford, publicity director: Betty James, intramural manager; and Miss Buleah Davis, sponsor.

BEAUX ARTS

Interested in art? Here are some individuals who are very much interested in this field and who have organized a club to further this interest. Mr. Rubens is the sponsor of this group, and they hold bi monthly meetings. Discussions are held and art is studied.

VETERAN'S CLUB

The Veteran's Club is composed of veterans of the U. S. military forces. The object of the club is the accomplishment of any worthwhile project brought to its attention by anyone at MTSC. The Vets have established a glasses fund that students in need may draw on for the purpose of eye correction. Many other worth-while projects have been completed by this group of high-spirited students.

ENGINEERING SOCIETY

This organization is led by Curtis Mason, president; John Younger, vice-president; Baxter Cook, secre tary; and Jack Goff, treasurer. Their purposes are to (1) further the knowledge of engineering above and beyond that taught in the classroom, (2) better acquaint the members with their fellow students who have engineering as their mutual interest, and (3) stimulate among the students of MTSC an interest in the profession of engineering.

SOCIAL SCIENCE CLUB

The members of this club try to foster by study, observation, and discussion a sincere interest in and knowledge of local, national, and international events. The people of this group are interested in international relations. The officers elected this year are Harry H. Brunson, president; Paul W. Couch, first vice-president; Shirley Freedle, second vice-president: Joanne Wright, third vice-president; Elaine Wakefield, secretary; and Imagene Spear, treasurer.

FUTURE TEACHERS OF AMERICA

The FTA members gather together twice each month to listen to the interesting and educational programs which have included talks by faculty members, panel discussions, and open group discussions of important educational issues. The purposes of this fine club are to develop among young people who are preparing to be teachers, a national organization which shall be an integral part of the local, state and national education association; to acquaint teachers in training with the history, ethics, and program of the organized teaching profession; and to promote cooperation among the many state and territory FTA organizations and to coordinate their major activities.

The FTA club of MTSC was founded April 17, 1946. The current officers are Bobby Joe Turner, president; Nancey Harris, vice-president; Barbara Gonce, secretary; Mildred Dorris, treasurer; Robert C. Holt, historian; and Betty James, scrapbook chairman. When a student is a member of the local FTA chapter, he automatically receives publications from both the Tennessee Education Association and the National Education Association.

KAPPA DELTA PI

This is an educational fraternity composed of education majors and minors with qualifying grades. It is nationally affiliated and was established on this campus in the spring of 1956. This year the fraternity was very ably led by Sue Richardson, president; Elred Tucker, vice-president; Marjorie Grayson, secretary; Anne Tittsworth, treasurer; James McBride, historian.

GAMMA CHI CHAPTER OF PLOMEGA PI

On May 28, 1954, Gamma Chi Chapter of Pt Omega Pi was founded on the MTSC campus. All of the students who are majoring in business or who are going to be business teachers, secretaries, accountants or hold positions similar to those, join this chapter, which is a part of the national honorary business fraternity of Pi Omega Pi.

The purpose of this fraternity is to serve as an incentive for business students to put forth their best efforts in order to attain the honor of being elected to membership; to foster good citizenship by developing leadership among the members; and to encourage and foster high ethical standards in business and professional life. The fraternity motto is "Loyalty, Service, and Progress." Membership is offered to people who have attained a "B" average in business subjects and an average grade of "C" in other classwork. The officers for this year are Bobby Cranford, president; Jarman Arnold, vice-president; Robert T. Brooks, reporter; Paul Delk, treasurer; Sue Richardson, secretary: Thomas Stroud, historian; and Elaine Stepp, faculty sponsor.

MISC ORCHESTRA

Nothing soothes the soul like sweet music. The College Orchestra supplies the campus with plenty of The purpose of the Orchestra is to provide students opportunity to hear and play Symphonic music. Another purpose is to develop appreciation of the periods of Modern, Romantic, and Classical music. The Orchestra is under the expert leadership of Mrs. Rubye Taylor Sanders as concert mistress and Mr. Kenneth Pace as conductor. The orchestra blends rich, mellow tones and precision playing to make music worthy to be heard by a king. Its officers this year are: Kelly Graves, president; Jimmy Vaughn, vice-president; Charlotte Free, secretary and treasurer: Shirley Vick, reporter: John McDonald, librarian: and Nancy Patton, accompanist.

SYMPHONIC BAND

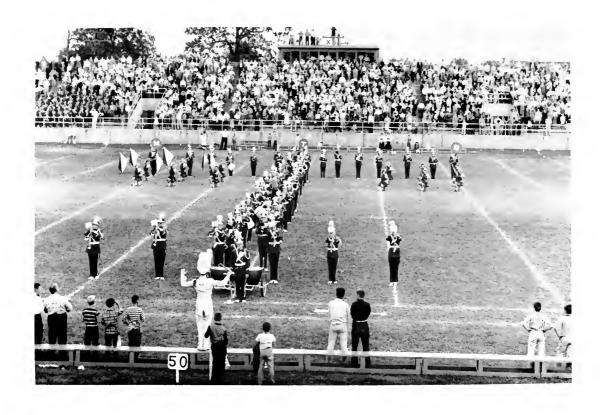

The Symphonic Band is a double-duty band. In the fall quarter the musicians put on the blue and white uniforms of the Marching Band and entertain the supporters at the football games. Winter quarter and spring quarter the band turns toward the more classical music and toward jazz for entertainment at the student assemblies and other programs. Spring quarter we find the band out on the lawn in front of the Music Building giving a star-

light concert for the music lovers. After hearing one number from the band all the students become music lovers. The mellow tones of this band draw the students out of their dorms and the rec rocm to enjoy the better things of life.

The band is under the leadership of Dr. John Colbert. The members of this grand organization are:

HERALD TRUMPETS

This year Middle Tennessee added another FIRST! to its collection. We were the first college in this area to use the Herald Trumpets with our Marching Band routines. Needless to say, the sight of these huge instruments caused the people to sit up and take notice of the activities. Many of the students and supporters of MTSC had never seen these instruments. Our students did such a good job playing the trumpets that extensive publicity has been given them in the various papers of our area. The trumpets were also featured in the "MTSC—Realm of the Raiders" article in the Nashville Tennessean Mazazine. Let's all take time out and wish the trumpet players further success in the future. The trumpets are here to stay!

TWIRLING CORPS

If you've ever seen the MTSC Marching Band, you've seen those high-stepping beauties, the majorettes and flag twirlers. Needless to say, the students are proud of these girls. Not only are they representative of the beauty to be found on the campus, but their difficult routines show many hours of practice. These pretty and talented girls perform at halftime activities of all the football games along with the band. In fact, the band wouldn't be complete without them. They're an added attraction worth watching!

WOMEN'S TRIO

These talented girls are the pride of the music department. Their purpose is the performance of program material secular and sacred. The girls who make up the MTSC Women's Trio are Dorothy Hicks, Peggy Jernigan, and Linda Williamson.

MEN'S QUARTET

A very talented group in the music department is the Men's Quartet. This fine group is made up of Jerry Williamson, Wayne Tipps, Shirley Dean Freedle, and Bob Keathley.

SACRED HARP SINGERS

Under the direction of Margaret Wright, this group gives splendid performances with American Southern folk songs, both sacred and secular, and music of the Elizabethan (madrigal) period. Well-known throughout Tennessee, this talented musical group was organized during the summer of 1947. Seated around a table in sixteenth century madrigal style, the singers can always be counted on for a grand performance.

CHORUS

The MTSC Chorus, under the direction of Neil Wright, consists of eighty voices. Its purposes are to make possible improvements in vocal work and to furnish excellent concerts on campus and in several high schools each year. This year the chorus went on tour to Central High School in Shelbyville, Central High School in Manchester,

DANCE BAND

The Midlanders, the MTSC Dance Band, perform for affairs on the campus. The purposes of the group are to financially aid qualified students and to serve as a laboratory unit for students interested in arranging for this medium. From the candidates for vocalist, Dr. John K. Colbert, who is the faculty adviser, selected Peggy Jernigan, who has a delightful singing voice. Eugene Yarchever serves as student director of this versatile group.

AMERICAN GUILD OF ORGANIST

These student organists advance interest in fine organ music. Their purpose is to advance the cause of worthy church music, and to provide opportunities for meeting to discuss professional topics. The members attend recitals, evaluate recordings; and each year the group presents a medal to its dean. This year's dean is Charlotte Gardner. She is assisted by Janet Lewis, sub-dean; Mary Lou Gievn, secretary; and Lou Marlin, treasurer. Margaret Wright and Mary Scott are the sponsors. There are three faculty members Peggy Hackler, Ortrun Gilbert and Charles Hansford.

MUSIC EDUCATORS NATIONAL CONFERENCE

This is a rather new organization on the college campus, since it began in 1954. Its purpose is to afford students an opportunity for cooperative and reciprocal professional development while still in school, with a view to the benefits to be derived by the students themselves and by the professional organization as a whole.

The Motto, "Music for every child, every child for music", expresses the desire for learning how to teach music to the future citizens of America. Catherine Ray serves as president, Donald Sain as vice-president and program chairman, and Lou Ella Marlin as secretary-treasurer.

PI MU SIGMA

This group is composed of a highly selected group of students. The members are initiated into this group because they surpass others in musical ability and are topmost in excellence. It promotes a high level of skill among those near-professionals to keep the dignity of the music profession, and helps the members to extend their skill in musical ability.

STUDENT CHRISTIAN UNION

A combination of all the religious denominational groups on the campus, the Student Christian Union offers the chance to all Christian students, no matter what faith they have, to worship God in one spirit together. The SCU meets the first Wednesday night of each month, with each church group taking its turn at the wheel in the program planning. Every spring, the SCU sponsors Religious Emphasis Week. It also has activities such as Thanksgiving and Easter sunrise services, and noonday devotionals with students of every denomination leading the services.

Worship and Christian fellowship in campus life are stressed in all the meetings. Candlelight services, panel discussions, and guest speakers highlight the year's activities. Religious Emphasis Week brings to the campus a well-known Christian author, lecturer, or minister for a week of concentrated meetings filled with a worshipful atmosphere. Students meet during this week in assemblies held each day, religious meetings in the evenings, and small group consultations with the guest speaker during each day.

The Union exists as a tangible, worth-while organization. All religious groups are combined into a strong, unified organization. The SCU tries to create a co-operative attitude between religious groups on the campus and to better the spiritual consciousness of each student in his or her everyday living. At the monthly meetings, many varied problems are discussed by the students and local ministers. Noonday devotions are held at the lunch hour, with the students of different denominations leading the worship. During a long, tiresome day, these noonday devotions afford students a wonderful

opportunity to spend a little time worshipping God. The college SCU helps in removing small prejudices and religious bias among the different religious groups and in putting the Christian faith on a firmer foundation by this unification of beliefs.

The officers elected for the year are Shirley Freedle, president; Nick Lowe, vice-president; Catharine Ray, secretary and treasurer: Shirley Pogue, social chairman; Mary Lou Given, publicity chairman; Charles Riely, program chairman; Shirley West, pianist; Jerry Williamson, song leader; and Dr. Robert Corlew, sponsor.

WESTMINSTER FELLOWSHIP

The Westminster Fellowship was formed to give Presbyterian students on the campus a chance for spiritual growth along with fellowship. These students meet together to strengthen their Christianity, and though the group is small it is one of the many connecting links between the student and his Church.

The motto of the group is "Worship Plus Fellow ship Are Found in the W. F." Officers elected for this year are Judy Oakley, president: Mary Jane Hargrove, vice-president: Don Horseley, treasurer; Helen Carter, secretary; Mary Ruth Osborne, second vice-president; Mr. B. B. Gracy, Jr. and Mrs. Robert Harrison, adult advisers: Barbara Harrington, Synod representative.

CHURCH OF CHRIST GROUP

Three Wednesday nights each month a large group of students at MTSC set aside one hour of their day to meet in the Administration Building. They constitute one of the five religious organizations on the campus and are known as the Church of Christ group.

Under the leadership of Ronald and Donald McRady, co presidents; Jack Smith, vice-president;

and Betty Jane Osteen, secretary-treasurer, the organization offers spiritual guidance in day-to-day living. Programs are planned to supplement the college course and to develop people dedicated to the task of creating a Christian community. A place of worship and fellowship is offered to the Church of Christ students at MTSC, and the evening services consist of singing, prayers, and messages from various speakers.

BAPTIST STUDENT UNION

Serving as a connecting link between the student and the program of Christ as expressed through the local churches and various activities of the denomination, the Baptist Student Union has one of the largest memberships on the campus. In seeking to promote maximum Christianity for the individual by enlistment efforts, devotional practices, and social events, it achieves its aims through interesting programs which provide spiritual strength and enlightenment. Because they are concerned with the religious, intellectual, and social needs of the students, the leaders offer opportunities to participate in informal discussions about religion and college life and to promote character

development through more religious living.

Serving in responsible positions of the organization for this year are Mary Lou Givan, president; Alton Ellis, enlistment vice-president; Joyce Adamson, social vice-president; Mary Frances Wright, devotional vice-president; Shirley Pogue, secretary; Bill Tucker, treasurer; Shirley Freedle, chorister; Jerry Williamson, choir director; Margaret Ogden, pianist; Mildred Dorris, publicity director; Jane Morgan, Y. W. A. representative; and James Brawner, missions chairman. This group is under the leadership of Miss Peggy Ott Hackler, B.S.U. Director; Mrs. Ethel Trice, faculty advisor; and Rev. Darwin Milligan, pastor advisor.

METHODIST STUDENT MOVEMENT

At the Methodist Student Movement meetings the students gather for 30 minutes of fellowship and worship. The programs are presented by the students themselves. Christian guidance is given by the officers, who are Bobby Cranford, president; Joyce Watson, vice-president; Faye Nixon, secretary-treasurer; Nelda Sue Pond, publicity chairman; Sarah Chambers, program chairman; Wayne Tipps, song leader; and Shirley West, pianist. Mr. E. W. Midgett serves as the sponsor for the organization.

Each year Methodist students enjoy socials in October, in March, and at the end of the spring quarter. Members attend several religious convocations in the spring, joining with MSM representatives from other colleges in this area and members of many Methodist Youth Fellowship groups.

Also, the group sends delegates to the state MSM retreat and to the religious convention each summer at Purdue University.

The MSM students on the MTSC campus take part in various community projects, and all members give active support to the Student Christian Union. Every Christmas the students collect gifts, buy fruit and candy, and visit the Negro day home in Murfreesboro, where they play Santa Claus to the children. Each Thanksgiving they place baskets around the campus to collect money and groceries as a gift to some needy family in the city. The organization here truly promotes, among Methodist students as well as other students, the principles of Christian fellowship, worship, and living.

CUMBERLAND PRESBYTERIAN STUDENT UNION

Cumberland Presbyterian students at MTSC always look forward to the meetings of the Cumberland Presbyterian Student Union held at six o'clock on Wednesday evenings. For six years this small but active and growing group has attempted to provide spiritual guidance for its members. They enjoy varied programs, and through worship and recreation they promote good Christian relations. Performing the administrative duties of the group are Catherine Ray, president; Nick Lowe, vice-president: Pauline Hurt, secretary: Mary Jo Teeters, treasurer; and Troy Phillips, sponsor.

The 25 members of the CPSU participate in the noonday devotional meetings as do the members of the other religious groups. At the beginning of the fall quarter the members join with the college class and the Cumberland Youth Fellowship group of the local church in sponsoring a party for the new Cumberland Presbyterian students entering the college. Other social functions are held throughout the year. This year's meetings promote fun and friendship, but the outstanding events are Sunday School, church, and group singing.

The TRACK and SABRE CLUB of MTSC

The Track and Sabre Club of Middle Tennessee State College is one of the largest organizations on the campus. It is composed of any member of the ROTC Regiment that is interested in the activities of the department. The club brings about a closer relationship among the cadets and the officers and non-commissioned officers that compose the cadre. The Track and Sabre Club began in the winter of 1951 and since then has gained prominance both on the campus and in the ROTC department.

The Military Ball is sponsored by the Track and Sabre Club each year. The Ball features a big name band such as Ralph Marterie, who was here this year. In the past, they have had Tommy and Jimmy Dorsey, Billy May, Buddy Morrow and Ray Anthony. This years queen of the Ball was Miss Francis McBroom. She was attended by Misses Iva Nell Ward, Ima Franklin, Gail Garrett, and Sandra Sissiom.

The officers of the club this year are: President, Bobby Crandord; Ted Gobble, Vice-President; Smith Saunders, Secretary; William T. Stroud, Treasurer; and George Haynes, Sergeant-at-Arms.

First Row: Walter K. Hayes, Ronald B. McRady, George W. Mills, Joe W. Casey, Bobby E. Stinson. Second Row: Eugene Scott, Donald W. McRady, Joe D. Johnson, Dorris E. Jernigan, George O. Delk, Harrel D. Ward. Third Row: James L. Ellis, Carlton A. Galbreath, Ralph E. Massey, Joseph U. Thibodeaux.

NATHAN BEDFORD FORREST CLUB

The Nathan Bedford Forrest Club is named in honor of the great Confederate Army officer, General Nathan Bedford Forrest.

The purpose of this club is to further the welfare and recreation of its members and to endorse all activities which this organization believes will benefit the ROTC at Middle Tennessee State College.

The motto of the club is the motto of General Forrest: "Get there first with the most."

ROTC RIFLE TEAM

The Rife Team is made up of ROTC cadets that are interested in target firing and intercollegiate competition with the army .22 calibre rifle. They fire paper matches with various colleges and universities such as; East Tennessee State College, Presbyterian College, the University of Florida, the University of Georgia, the University of Tennessee, and the University of Chattanooga. They also fire shoulder to shoulder matches with Vanderbilt, Tennessee Tech, and Swanee. The Rifle Team competes in the state military district rifle meet with other teams in this area. The team placed third this year. The team co-captains are George Haynes and Smith Saunders.

Dances, ball games, and friends in the dorm all play an important part in college life. When "Harriet and Harvey High School" arrive for the first time at the school of their choice, they are impressed by the many exciting activities and the interesting people. We at MTSC are very proud of the activities which we have to offer.

We remember the "lemon courts", initiations, fun in the Rec Room, wedding showers, birthday parties, and our biggest social functions. It'll be a long time before we forget the Homecoming, Midlander, and ROTC Balls, the fierce games with competitive schools, and the friends we've made.

In this section the Midlander staff brings back the scenes from these times and introduces some of the students who have won honors for their contributions.

MISS MIDLANDER AND HER COURT

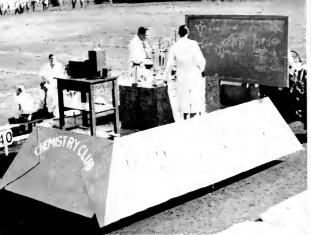

This is the group of contestants for Miss Midlander

Byron described Miss Midlander for this year when he said:

"She walks in beauty, like the night Of cloudless climes and starry skies: And all that's best of dark and bright Meet in her aspect and her eyes: Thus mellow'd to that tender light Which heaven to gaudy day denies."

With this quotation we introduce to you Miss Peggy Jernigan, who is Miss Midlander for 1957. Peggy, a sophomore from Beech Grove, is truly Miss Midlander in that she is the vocalist for the "Midlanders." At the Midlander Ball, on February 25, she was crowned and she, along with her court of beauties, reigned supreme at this gala occasion.

Sports

Have you heard those shouts coming from the football stadium in the fall or that dim roar in the gymnasium all winter? Those sounds are made by the enthusiastic supporters of the "Blue Raiders" cheering them on to victory. Victory in what, you ask? Why, football, basketball, baseball, track, golf, and tennis, of course. Middle Tennessee State College participates in all these major sports and competes with other schools. We hold memberships in the Ohio Valley Conference and the Volunteer State Athletic Conference.

A center of interest on Monday nights is the large modern natatorium, where students develop their aquatic skills.

Competition in the major sports promotes school spirit as well as athletic skill. Through these games we meet students from many other schools and compare ideas and activities.

We of the Midlander Staff are very proud of our school's athletic program, and we present the following pages to show you the outstanding progress of our school's teams.

FOOTBALL COACHING STAFF

Charles N. Greer, End Coach; Joe Black Hayes, Line Coach; Charley Murphy, Head Coach and Athletic Director, Kenneth Shipp, B. Team Coach; Pilly Mac Jones, Backfield Coach.

FOOTBALL

Middle Tennessee State's 1956 football squad has gone down in the record books as one of the best ever to wear the blue and white. Under the leadership of Coach Charles "Bubber" Murphy, the Raiders went through their season with seven wins against two losses.

MTSC brought home the championship trophies of both the Ohio Valley and the Volunteer State Athletic Conferences. Murphy's charges went through both conferences undefeated, and the OVC crown was the first to be taken by the Blue Raiders.

Not only did the Raiders make a sweep in the conferences, but also won a trip to the first bowl game in the school's history. Middle Tennessee played Sam Houston State College in the Refrigerator Bowl at Evansville, Indiana.

Terry Sweeney, captain of the 1956 Raiders, made three Little All-American teams for his full-back play. The 205 pounder was selected on

the Associated Press, Williamson, and NAIA squads.

Other honors received by the Middle Tennesseans were the All-Conference picks. End Jerry Hurst, tackle Jerry DeLucca, and Sweeney made both the VSAC and OVC teams. Center Don Plonk and guard Harold Greer were given berths on the All-Ohio Valley eleven. Halfback Buck Rolman was selected to the All-VSAC squad, and Sidney Corban was second team All-OVC quarterback.

Halfback Tillman Harris led the Raider ground gaining attack. The Sparta, Tennessee, senior carried the ball 80 times for 571 yards. Marvin "Buck" Rolman led the team in scoring with 42 points.

Middle Tennessee led their opponents in every department. They out rushed the opposition 1982 to 1343 yards, and were better in the yards passing department 535 to 528.

MORRIS HARVEY

Morris Harvey College spoiled Middle Tennessee's opener by a 6—0 score at Charleston, W. Va. The game was played in a hard, steady rainstorm with water rolling from the field.

The only score of the game came with 1:49 minutes remaining in the first half. A Morris Harvey backfield substitute splashed through the middle of the line for 43 yards to give the host team their victory.

Raider backs had a tough time handling the slippery ball. They fumbled seven times, and six of the fumbles were fallen on by Morris Harvey. The lost pigskin stopped the Raiders on the Morris Harvey 9, 26, 29, and 31 yard lines. The other two fumbles were on the Raider 14 and 45 yard markers. Middle Tennessee had the ball on the Morris Harvey 14 yard stripe when the final horn sounded.

Raiders drag 'em down the field!

AUSTIN PEAY STATE

Opening night on the home schedule for the Blue Raiders provided many thrills for Big Blue fans. Middle Tennessee took their VSAC foe Austin Peay by a 38 20 count.

Coach Murphy's gridders scored half of their six touchdowns through the air, the others rushing.

Jimmy Dunlap's 13 yard pass to G. E. McCormack put the Raiders ahead 6-0 with 3:40 left in the first quarter. Sidney Corban found McCormack for the second TD on a 32 yard pass.

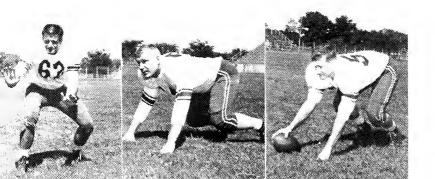

Buck Rolman, Jerry Kemp, and Ed Carson had touchdown runs of 10, 55, and 6 yards. Kemp added the final touchdown by catching a 15 yard pass from Corban.

Austin Peay's best offense came through the air with 165 yards in six completed passes. One aerial was good for a 66 yard touchdown.

WESTERN KENTUCKY

End Jerry Hurst's accurate toe provided the point that gave Middle Tennessee a slim 7–6 victory over Ohio Valley Conference foe Western Kentucky.

Middle Tennessee scored their touchdown on a 76 yard march in the second quarter. Jimmy Dunlap's passing to Bobby Locke and Tillman Harris accounted for most of the drive. Locke outleaped two defenders in the end zone to take a 10 yard aerial for the tally.

Western's touchdown was set up with an intercepted pass. The Kentuckians found paydirt 24 yards and nine plays later. With six minutes remaining in the third quarter, Western's try for the extra point was wide to the right.

Middle Tennessee came roaring back with a 54 yard march but lost the ball with a fumble on the Western 11 yard line. MTSC lost the ball five times on fumbles.

It's inches to go against Eastern!

EASTERN KENTUCKY

After spotting Eastern Kentucky two touchdowns in the first 10 minutes of play, Middle Tennessee's Blue Raiders roared back to take a 26 19 victory over their OVC rival.

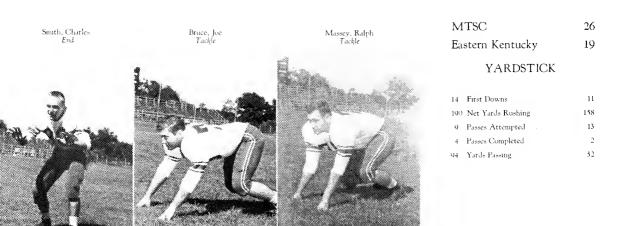

Eastern jumped to a 13 point lead with a recovered fumble and an interception of a pitchout. Sidney Corban hit Buck Rolman with a 17 yard touchdown aerial in the second period to put the Big Blue back in the game.

Tillman Harris made the score 13 12 by half

time with a 10 yard jaunt after tackle Ralph Massey had fallen on a Maroon fumble.

Middle Tennessee drove 57 yards for their third score. A 29 yard fourth down pass from Corban to Ed Carson gave the Raiders their first lead.

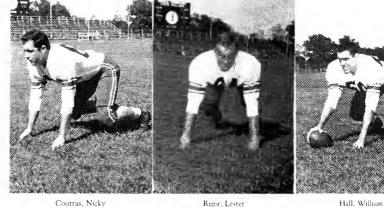

Ski DeArman pulled in a 45 yard Corban aerial to put the game on ice for MTSC. Eastern made their final score with two seconds remaining in the contest.

MOREHEAD STATE

Middle Tennessee won its third straight Ohio Valley Conference game with a ballhawking 20-12 victory over Morehead's Eagles. The Raiders had to come from 6—0 and 12—7 disadvantages in the first half.

Jerry Kemp posted the first MTSC touchdown after a 59 yard march. Terry Sweeney put the Raiders ahead at halftime after Middle Tennessee

had gone 75 yards in 10 plays.

Halfback Tillman Harris, who lost the ball on a punt return to set up Morehead's first touchdown, redeemed himself in the third period when he scooped up a loose ball and scored two plays later on a five yard end sweep.

Middle Tennessee outgained the Eagles 391 yards to 206.

Raiders get the break!

VANDERBILT

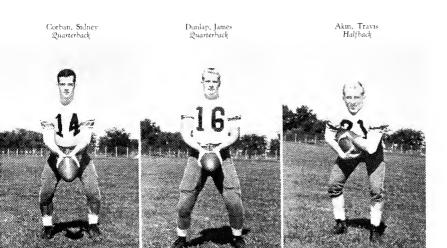

Vanderbilt University and Middle Tennessee State played on even terms for 58 minutes before the underdog Blue Raiders bowed 23 13. A crowd estimated at 16,000 was on its feet throughout the hard fought contest.

Middle Tennessee halfback Buck Rolman ripped 42 yards in the opening period to give the Raiders a 6 0 lead, but the Raiders were behind 7 6 before the quarter ended.

Rolman scored MTSC's second touchdown a

few minutes later to again put the Big Blue ahead. A beautiful punt return by Sidney Corban had set up the Raider tally.

Vanderbilt again took a one point lead before halftime with a 93 yard punt return. The third quarter was played on even terms, but with two minutes remaining, the Commodores spilled a Raider ball carrier in the end zone for a safety. Vandy added their final touchdown with 18 seconds remaining in the game.

MURRAY STATE

The old grads returned to Jones Field to see Middle Tennessee's gridders turn in their best offensive show of the season in defeating Murray 39—7. MTSC gained 456 yards for their homecoming performance.

Buck Rolman got the raiders in swing with a 67 yard touchdown jaunt with the game six minutes old. Murray tied the score before the end of the

quarter.

Jerry Kemp scored the second Raider touchdown on a three yard plunge. Middle Tennessee chalked up their next score on a 20 yard aerial from Jimmy Dunlap to G. E. McCormack.

Tillman Harris raced 56 yards to paydirt to keep the Raider attack going to the third quarter.

Sidney Corban found a hole in the Thoroughbred defense and scouted 15 yards for another MTSC score. Corban ended the scoring with a 17 yard touchdown aerial to end Bobby Locke a few minutes later.

Most of the final period was played by substitutes.

Big Blue takes to the air!

EAST TENNESSEE STATE

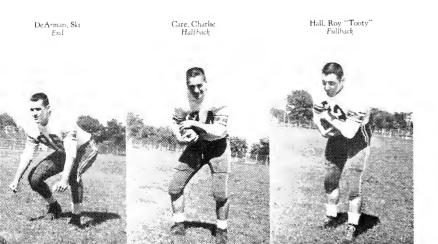

Coach Charles Murphy's gridders brought home the Volunteer State Athletic Conference crown with a 20 –6 victory over East Tennessee State. The Johnson City win was the sixth of the season for the Big Blue.

MTSC scord 4:25 minutes after Sidney Corban returned the opening kickoff from his own goal line for 45 yards. Six plays later, Tillman Harris scampered 15 yards to the Buc one. Jerry Kemp sliced over for the score.

G. E. McCormack grabbed a Jimmy Dunlap aerial that covered 38 yards for MTSC's next score. It gave the Raiders a 13-0 lead at halftime.

Captain Terry Sweeney intercepted a Buc pass to pave the way for the final MTSC touchdown. Corban followed Sweeney with a 30 yard scamper, and three plays later, Buck Rolman went over from the four for the score.

East Tennessee drove 80 yards in the final period for their lone tally.

TENNESSEE TECH

Thanksgiving Day proved to be a "Turkey Shoot" for Middle Tennessee when they shelled Tennessee Tech's Eagles 26 6. The victory gave the Raiders their first championship of the Ohio Valley Conference.

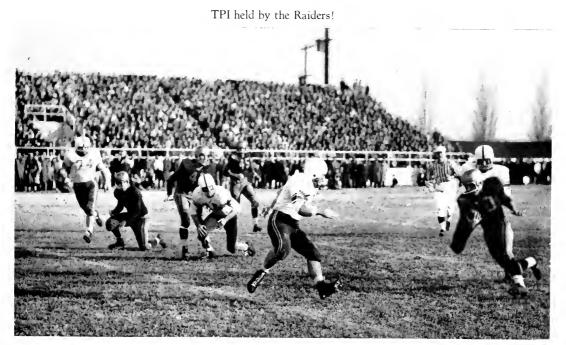

Both teams showed great defensive play during the first half, leaving at intermission time with a 0—0 deadlock. The turning point of the game came in the third quarter when Terry Sweeney put his foot in a 42 yard quick kick and the Eagles fumbled. Don Plonk fell on the free ball, and four

plays later Sweeney bulled over from the four.

Tillman Harris raced around right end for 49 yards to give the Raiders their next TD. It was set up after Bill Hall intercepted a Tech pass on the MTSC 37.

Plonk and Sidney Corban opened the door to the Raider's next two touchdowns with pass interceptions. Sweeney made a touchdown out of Plonk's interception, and Buck Rolman turned Corban's grab into a six-pointer.

Tech made their lone score in the final period.

SAM HOUSTON STATE

Sam Houston State's Bearkats took advantage of MTSC mistakes to spoil the Raider's first bowl appearance 27—13. The game was played in the Refrigerator Bowl at Evansville, Indiana.

Using a 34 yard TD pass and a 20 yard field goal, the Texans grabbed a 10 –0 lead before the Raiders settled down. Middle Tennessee drove 63 yards in 10 plays for their first score. Tillman Harris took a lateral from Sidney Corban and scampered 18 yards for the touchdown.

Sam Houston recovered the kickoff of the second half on the MTSC 12 yard line for their second touchdown. Five plays later the Texans hit paydirt.

Terry Sweeney scored the final Raider touchdown in the third period after G. E. McCormack recovered a fumble on the Bearkat five. Sam Houston returned the ensuing kickoff for 90 yards and a touchdown to put the Raiders down again. The Bearkats added another field goal in the final period.

Head Coach

Coach Eddie Diddle, head basketball mentor for the Big Blue, is the latest addition to the MTSC coaching staff. Diddle played high school and college basketball under his father at College High of Bowling Green, and at Western Kentucky. His efforts won him a place on the All-State team during his junior and senior years of high school. After graduation from college, Diddle coached at Warren County High School (Ky.), and had a 22-7 record his first year. He went into the Army and played for the All-Army champion Fort Belvoir five. Diddle accepted the MTSC job during the spring and has signed many of Kentucky and Tennessee's finest cage prospects.

BASKETBALL

Middle Tennessee's basketball team came through in fine fashion during the 1956-57 season. With Eddie Diddle, Jr., at the reins in his first year of college coaching, the Raiders went through the season with 12 victories and 13 defeats.

Coach Diddle had to go through most of the season with only nine players. Four of his cagers finished with double figure averages, while two had identical 9.8 averages in their 25 games.

One of the big accomplishments of Diddle in his freshman year of college coaching, was the strong finish the Big Blue had. They won eight of their last twelve outings.

During this spree, the Raiders brought the Volunteer State Athletic Conference tournament championship to the MTSC campus with victories over Union, Austin Peay State, and East Tennessee.

For the 25 game season, Middle Tennessee outscored their opponents 1885 points to 1865. They proved strong on rebounds with an average of 49.4 a game, while their foes pulled down an average of 42.2.

Coach Diddle's 12 wins doubled the victory column of the 1955 56 team. Only one senior, Forward Don Plonk, was on the squad this year. This should be a good indication of what MTSC will produce in coming years in basketball.

VARSITY BASEBALL 1956

First Row, Coach Fran Riel, Bobby Reasons, Volhe Roddy, Mitchell Thompson, Eddie Agee, Jimmy Brown, Francis Reynolds, John Carson, Jimmy Greenway, Brud Spickard. Second Row, G. E. McCormack, Charlie Smith, Doug Shrader, Homer Brown, Jimmy Evans, Lynn Banks, Gleen Shirley, Milner Carden, Charlie Care, Carlton Galbreath, Sydney Corban, Jim Earp Evans, and Marvin Rolman.

BASEBALL

Coach Fran Riel's baseball squad finished the 1956 season with a record of 11 wins and 10 losses. They were Western Division champions of the Ohio Valley Conference, finishing second in that league.

Milner Carden led the Big Blue in batting with an average of .372 in eleven games. He did not get to play the whole season because of his track team obligations. John Carson played in all 21 games for the Raiders and posted a good .352 batting average to lead the regulars.

Other members of the team to finish with averages above .300 were Captain Mitch Thompson (.338), Homer Brown (.315) ,and Douglas Shrader (.306).

Shrader led the squad in homeruns and triples with six and five, respectively. The outfielder-pitcher also took top honors in RBI's with 22.

Champions In Three Leagues! Coach Elbert Patty and David Tant

CHAMPIONS!

Richard Smith Allen Welch Coach Elbert Patty David Tant Marty Graham

GOLF

Coach Elbert Patty's 1956 golf team was considered to be the greatest foursome in the school's history. The team of Captain Allen Welch, Richard Smith, David "Doc" Tant, and Marty Graham made a clean sweep of the three tournaments they entered.

Middle Tennessee captured the Tennessee Intercollegiate Athletic Association tournament at Chattanooga with a 622 stroke score. Other teams competing in the tourney and their order of finish were Sewanee (629), Memphis State (635), Chattanooga (660), Southwestern (622), Lambuth (710), and David Lipscomb (728). The match covered 36 holes.

David "Doc" Tant placed second in the TIAA low medalist play. He posted a 36 hole total of 151.

Captain Allen Welch paced the Blue Raiders

with a low medalist score of 150 to win the Volunteer State Athletic Conference tournament championship. MTSC had little trouble winning the VSAC crown with a low of 628, compared to David Lipscomb's 717 and Belmont's 767.

Middle Tennessee's 36 hole total of 589 was good enough to bring the Ohio Valley Conference championship to the Raiders. Their nearest opponent, Western Kentucky, finished eight strokes behind the Raiders with 597. Tennessee Tech and Eastern Kentucky had scores of 603 and 613, respectively.

Western's Don Woods and MTSC's Marty Graham finished the tournament with low medalist scores of 142. In a four hole sudden-death playoff Woods sank a par 5 on the long 515 fourth hole, while Graham took a bogie for the low medalist trophy.

TRACK

Coach Joe Black Hayes track squad broke every school record in its second year of track in 1956. Marvin Jinnette, Milner Carden, and Ed Carson proved to be the most consistent winners.

Carden set a new school mark by winning the Ohio Valley Conference two mile race in 10:23.0. Carson set a new VSAC mark in the 220 hurdles when he was timed at 25.9.

Other members of the cinder team to put their names in the school record books were: Marvin Jinnette—100 yard dash (10.0), high jump (6'1"), broad jump (21'2 12"), and 220 dash (23.2).

James Frost posted new records in the 440 and

880 yard dashes with times of 52.9 and 2:05, respectively.

Milner Carden also had MTSC's best time in the one mile race although he placed second in his event. He ran the distance in 4:35.

Carson took the 120 High Hurdles in 16.1; Manson Rowan's pole valut of 11'6" was tops; George Haley had a discus toss of 125'8" and a javelin throw of 143'7".

Terry Sweeney put the shot 42 5 for his record, while the mile relay team of George Frost, Sweeney, Jinnette, and James Frost posted a record mark of 3:36.

Classes

The dictionary defines education as "the systematic development and cultivation of the mind and other matural powers." In seeking an education, we are working towards the harmonious development of all our faculties. Our education began in the nursery, grew through high school, and here at MTSC it continues.

Our classes offer us a foundation upon which to build our higher education. They introduce subjects of interest, and we are expected to elaborate upon them ourselves. We meet and exchange ideas with all types of people. Our teachers are our guides. We spend at least one-sixth of each day in class. One thing we have in common with all other students on this campus is that we are all striving for a common goal, education.

In this section the Midlander staff introduces the members of the classes and their officers. We hope you recognize many friends and co-workers.

Murfreesboro, a prosperous town with a great historical background, is the home of Middle Tennessee State College. Here the townspeople and college students live and work together. Without the cooperation and support of the Murfreesboreans our students would lack much in friendship and entertainment. In return, we patronize their stores and attend their churches, and many students live in their homes.

We mentioned Murfreesboro's great historical heritage. Here the Confederates fought the Battle of Stone's River, which was one of the most important battles in the War Between the States. The South was at her greatest, and never again did she exhibit such strength. After the war the process of rehabilitation was a long, hard one. However, Murfreesboro toiled and rebuilt, until today it stands as a memorial to a great past.

The present town is growing rapidly; new churches, new schools, new stores.

The Midlander Staff takes great pleasure in introducing our patrons.
